SOCIAL SERVICE:

Getting involved with social causes mainly the ones connected with medical activities.

I had been actively involved in an NGO organization called Navjeevan Centre who support the parentless children born out of wedlock especially of the women from red street areas of Mumbai. Had been a medical personal for those children from 1995 to 2002.

I support a orphan child in SOS village in Aluva for her studies and give her a family support along with my family.

I also give free consultation in an Araya, a house of vagabonds.

EXTRA CIRRICULAR ACTIVITIES:

Travelling, Indoor games (Badminton, Table Tennis), Music, Reading and History

Language Fluency: Speaking/understanding/writing: English, Hindi, Gujarati, Malayalam and Punjabi
